STATE OF MAINE
DEPARTMENT OF THE ATTORNEY GENERAL
AUGUSTA

March 14, 1934

Yankee Metal Products Corp.
460 West 34th Street
New York City

Gentlemen:

Replying to your letter of March 6 concerning the mirrors used on trucks in the State of Maine, I am clearly of the opinion that the face of the mirror must be six inches in diameter. That is to say that that part of the mirror which is exposed and usable for the purpose of obtaining a view to the rear of the car must be six inches in diameter.

I am sorry if this opinion interferes at all with the mirror you now have but I know of no other way of interpreting the law.

Very sincerely yours,

Attorney General
