Re: Advertising by Traveling Circus

In response to your memo of July 6, relative to circus advertising, I am pleased to inform you that under Section 2 of Chapter 37 of the Revised Statutes, it appears that the license granted a traveling circus covers advertising as well as the exhibition of their show or entertainment. Consequently, it is my opinion they would not be required to secure an outdoor advertising license under Chapter 163, p. L. 1935.
