Mr. Burkett, Attorney General

Mr. William D. Hayes, State Auditor

While, as you state in your memorandum of October 11th, the statutes of the State do not definitely place upon you the burden of auditing the financial affairs of municipal courts, it is my opinion that when you have a request from either the Judge or the Recorder of a court, based upon the belief that there is something wrong in the records, that you have the right to do this and should do it.

Attorney General
