Dear Sir:

In re Milk Control Board - Levi Ross

I have your letter of March 31st.

I suggest that you ask Mr. Marshall to have
a copy of all papers in this case sent to you for exami-
nation.

As you say, it is important that the State
should keep an eye on any proceedings the result of
which might be to invalidate a statute under which a
State board is operating.

Very truly yours,

Frank I. Cowan
Attorney General
