Mr. Cowan, Attorney General

Mr. Hayes, State Auditor

I have withheld reply to Mr. Rogers' inquiry of February 14th and your inquiry of March 28th in regard to dog license deficiencies and interpretation of Chapter E, Sections 157 and 168 of the Revised Statutes until now because of the changes in the law made by the 1941 Legislature.

By the provision that hereafter the cities and towns shall make payment directly to the Treasurer of State and the elision of the words "before September 1st of each year", the time limit on delivery of the license fees is removed insofar as this particular statute is concerned so that the towns and cities shall hereafter be fully entitled to any refunds accruing under Section 168, after July 25th, 1941; provided, however, that the refunds shall be made on the basis of cash actually received by the Treasurer of State and shall be made from and in relation to, funds received during the fiscal year immediately preceding the refund.
