Sanford L. Fogg, Deputy Attorney General

Guy R. Whitten, Deputy Insurance Comm'r

In response to your inquiry of March 10th with reference to the approval by your department of non-assessable mutual fire insurance companies organized and existing in the State of Massachusetts, I am pleased to inform you that owing to the fact that our Maine statutes neither provide for nor permit the issuance or use of non-assessable mutual fire insurance policies as a form of coverage in the State of Maine, it is the opinion of this department that to grant such requests would be an unqualified and unjust discrimination against our Maine companies.

Your decision with reference to this matter appears to be correct.

Deputy Attorney General
