Dear Sir:

You will find enclosed, herewith, the papers which you submitted to the Attorney General under date of August 15, 1942.

The papers submitted by you have been carefully examined and you are advised that there appears to be no reason under the laws of this State why the plan for a mobile dental service in the St. John river valley should not be consummated.

You are advised that if the Board of Dental Examiners so desire, they may approve and participate in such a plan.

Very truly yours,

John S. S. Fessenden
Deputy Attorney General
