Gasoline Tax Refunds and Salaries and  
Expense of Racing Commission.

In your memorandum of February 2, 1943. you ask what action may be taken to cover certain payments made without the approval of the Governor and Council in connection with Gasoline Tax Refunds and payment of salaries and expenses of the Racing Commission.

It is the opinion of this department that a Council Order ratifying and approving these payments would be the proper action to take.

Frank A. Farrington  
Deputy Attorney General
