Issuing Regulations re Gasoline Tax

Reference is to your memorandum of March 16, 1943.

On the basis of facts available, it is the opinion of this department that it is not within the Governor's powers under Chapter 305, P. L. 1941, to give the State Tax Assessor authority to issue a regulation allowing tank wagon lots of gasoline to be transferred tax-free between distributors.

Enclosed herewith is the material which accompanied your memorandum.
