Frank A. Farrington, Deputy

Bureau Taxation
Attorney General

Tank Wagon Deliveries of Internal Combustion Engine Fuel.

Since our opinion under date of March 17th, further facts have been made available to us and it is now the opinion of this department that the Governor may properly, under Chapter 305, P. L. 1941, approved January 21, 1942, give the State Tax Assessor authority to issue regulations allowing tank wagon lots of gasoline to be transferred tax free between distributors.
