Dear Madam:-

I acknowledge receipt of your letter of the 13th instant addressed to the Attorney General, asking for an interpretation of Chapter 21, Section 22, of the Revised Statutes of Maine, 1930.

After reading the prior legislation on the subject and the several revisions of this section, I believe that it was the intention of the legislature to provide for the notice and the full and fair hearing in either case, since cancellation or suspension is the penalty for the same type of violation, but mitigating circumstances may result in a suspension where otherwise revocation would be justified.

Very truly yours,

Abraham Breitbard
Deputy Attorney General
