To Laurence C. Upton, Chief, Maine State Police

Weighing Scales

Your memo of July 19th has been received, wherein you inquired whether it would be legal for your department to test the stationary weighing scales, as well as the portable weighing scales, by the local sealer of weights and measures in the town where the scales are located.

I would advise you that you have such authority to employ services of the local sealer of weights and measures.

Abraham Breitbard
Deputy Attorney General
