To Wallace C. Philoon, Administrative Assistant
Executive Department

I acknowledge receipt of the memo from Dr. L. D. Bristol of the Department of Health and Welfare and memos from the Governor to Dr. Bristol and yourself in regard to this matter.

I agree with the Governor's conclusion that there is nothing in the statute to prohibit the doctor from accepting a fee for this work, so long as he does not charge the expenses of the trip to the State. . .

Attorney General
