March 17, 1947

To Chairman, Board of Registration, Bangor, Maine
Re: Population

. . . You state that in reading the law as to the time that the board of registration should be open, you note that in cities of 30,000 or over it should be open every secular day, and you ask what is the basis for determining the population.

The latest census taken by the United States Government usually prevails.

Ralph W. Farris
Attorney General
