STATE OF MAINE

R E P O R T

OF THE

ATTORNEY GENERAL

for the calendar years

1949 - 1950

January 31, 1949

To A. K. Gardner, Commissioner of Agriculture

Your memo of January 28th received, asking an opinion as to the legality of the Potato Tax Committee's allotting the sum of \$10,000 to the National Potato Growers Council for the purpose of promoting better public relations on the part of the potato industry and otherwise aiding and assisting the consumption of more potatoes.

You state that you believe it is my opinion that the Tax Committee has authority to allocate such funds under the provisions of Sections 206-217 inclusive of Chapter 14, R. S. of Maine, as amended by the Public Laws of 1945, but that Mr. Herbert Kitchin, chairman of the Tax Committee is desirous of having this oral opinion, which came to him at second hand, verified by a written opinion and is particularly anxious that such written opinion be forthcoming at the earliest possible moment because he wishes the committee to be brought together to pass on these funds.

Under the provisions of Section 215, subsection IV, which provides: "The funds remaining over and above the expenses of carrying out the provisions of Sections 206 to 217 inclusive, including expenditures authorized under the provisions of Subsections II and III of this section, may be expended by the commission to carry out the purposes outlined in said subsections *as it may determine*;" if the allotment of the \$10,000 to the National Potato Growers Council is used for the purpose of investigating and determining better methods of production, shipment and merchandising of potatoes and for the manufacturing and merchandising of potato by-products by the Maine Agricultural Experiment Station under the supervision of the Maine Development Commission, and if the Maine Development Commission is willing to go along with you on this allotment, in my opinion the provisions of this statute are broad enough for you to make this allocation.

Attorney General

To Honorable Frederick G. Payne, Governor of Maine

Dear Fred:

Jack wanted me to write you this afternoon concerning the law relating to probation officers in Washington County.

Under Section 28 of Chapter 136 of the Revised Statutes, as amended by Chapter 139 of the Public Laws of 1945 and Chapter 317 of the Public Laws of 1947, the County of Washington at the present time is allotted only one probation officer, who is to be a citizen of the county and of good moral character, to hold office during the pleasure of the Governor and Council.

Jack told me that Ray Foster, Sheriff of Washington County, feels that each Municipal Court should have a probation officer. Jack inquired about an assistant probation officer for Washington County. The section which I cited provides that the County of Androscoggin shall have two probation officers, one to be designated probation officer and one to be designated
