To George R. Petty, Assistant Director, Civil Defense & Public Safety  
Re: Agreement with New York

We are returning herewith an agreement submitted to you by the State of New York, which is intended to be a plan for interstate dissemination of emergency public information, supplementing the mutual aid compacts which have been executed between this State and the State of New York.

This office sees no objection to the execution of such agreement by the Director of Civil Defense.

James Glynn Frost
