Library on January 19, 2022**

710  
December 21, 1954

To Col. E. W. Heywood, Assistant Adjutant General  
Re: Armories

This office sees no objection to the deletion in the agreement between the State and the National Guard Bureau for the construction of armories of that paragraph wherein the State determines that joint utilization of the facilities is impracticable. If the Federal Government desires to use the facilities and the State is agreeable so that such facilities may be built, it would seem proper that such paragraph be deleted.

James Glynn Frost  
Deputy Attorney General
