Francis H. Sleeper, M.D., Supt.
James Glynn Frost, Deputy
Autopsy Permit

Augusta State Hospital
Attorney General

In response to your request of June 16, 1958, it would be our opinion that permits to perform autopsies upon patients in your institution should be a part of the patient's hospital record. Copies might be made to be retained by the pathologist who performed the autopsy.

James Glynn Frost
Deputy Attorney General
