Inland Fisheries and Game  
Attorney General

**Proposed Administrative Code**

We have your verbal request for an opinion as to whether or not this proposed code would apply to your department.

Because of the fact that your department promulgates rules and regulations and holds hearings on contested cases involving, among other things, the revocation or suspension of various hunting and fishing licenses, it is our opinion that this new Administrative Code, if enacted, would apply to your department.

Thomas W. Yavner  
Assistant Attorney General
