Mental Health and Corrections

Procedures relative to laundry equipment bids under general contract for new Laundry Building - Ranger State Hospital.

Under the Council Order which authorizes you, as Commissioner of Mental Health and Corrections to include purchases of new laundry equipment in the general contract for the construction of a new laundry building at the Ranger State Hospital, the same procedure shall be followed with respect to the purchase of such equipment as would be followed if merely the building were involved.

The Commissioner shall advertise for sealed proposals, which proposals shall be addressed to the Commissioner and shall be opened in the presence of the committee of the Executive Council.

The Bureau of Purchases shall not be involved in any of the procedures relative to the purchase of the laundry equipment since for all intents and purposes such equipment is treated under the Council Order as a part of the general contract for the construction of the laundry.
