This is a response to your letter of May 8 requesting that this office render an opinion on the question whether a conflict of interest will result from your future employment as a housing development consultant following termination of your present employment as an employee in the State Economic Opportunity office assigned to the State Housing Authority. In order for this office to render its opinion in the matter, it is necessary that you advise us of the nature of your duties as a housing development consultant, should you terminate employment with the State. Also, may we please have a description of your present duties.

We will be pleased to render an opinion in the matter upon receipt of the information required.
