Re: Reporting of Loans and Loan Repayments

Please note that the opinion of September 22, 1978, to you on the above subject should have included a footnote at the end of the fourth full paragraph on the second page. That footnote should read as follows:

"The law does not prohibit a committee making a direct repayment of a candidate's loan to a financial institution. If such occurs, the repayment of the loan would be noted by the committee.

DONALD G. ALEXANDER
Deputy Attorney General
