ANALYST NOTES

This section includes additional information relating to certain LDs as noted in a committee digest. This is information staff found useful and may provide useful information to users of this Digest; please note that most LDs do not have a note and lack of a note should not be interpreted as having any significance.

LD 1805 Resolve, Regarding Legislative Review of Chapter 26: Producer Margins, a Major Substantive Rule of the Maine Milk Commission

Although this resolve was not finally passed, the major substantive rule that it relates to was properly submitted during the statutorily defined legislative rule acceptance period, so, under that governing statute, the agency may finally adopt the rule.

LD 1952 Resolve, To Reestablish the Commission To Develop a Paid Family and Medical Leave Benefits Program

Although this resolve was not finally passed, the substance of the resolve was incorporated into Public Law 2021, chapter 635, Part KK. See Appropriations and Financial Affairs, Enacted Law Summary, LD 1995, Part KK.

LD 2003 An Act To Implement the Recommendations of the Commission To Increase Housing Opportunities in Maine by Studying Zoning and Land Use Restrictions

The establishment of the Housing Opportunity Program within the Department of Economic and Community Development to encourage and support the development of additional housing units in the State, which was originally included in LD 2003, was not included in the enacted version of LD 2003. It was instead enacted as Part U of Public Law 2021, chapter 635. See Appropriations and Financial Affairs, Enacted Law Summary, LD 1995, Part U.

LD 2013 An Act Relating to Perfluoroalkyl and Polyfluoroalkyl Substances Contamination in the State

Although this bill was not enacted, aspects of the substance of the bill were incorporated into the supplemental budget enacted in the Second Regular Session, Public Law 2021, chapter 635. See Appropriations and Financial Affairs, Enacted Law Summary, LD 1995, Part XX.
