EXECUTIVE DEPARTMENT

To: All State Department Heads
From: Governor Kenneth M. Curtis
Subject: Convention, Tour, and Association
Groups Visiting Maine

An important responsibility I have to the people of Maine is to promote our wonderful four season vacation state whenever and wherever possible. I am actively urging regional and national associations to hold their conventions or conferences in the State of Maine.

In order to establish closer ties with these groups, would each of you submit a list to my office of the various associations and organizations affiliated with your departmental work. It need not matter whether these associations be regional or national. Such a list will prove extremely helpful in increasing this valuable source of business in the State. Please note on this list the 1967 conference or convention city and date of meeting.

I would also appreciate it if you would note on this list any official capacity or office you may hold within the association or organization. I would appreciate it if you would actively work in selling Maine as the place to meet. You can be sure that my office and DED stand ready to provide any help you might need to attract your organization or association conference or convention.
