STATE OF MAINE

Inter-Departmental Memorandum Date September 22, 1976

To Department Heads

Dept. _____

From Governor James B. Longley

Dept. _____

Subject Governmental Metric Policies Committee

Attached you will find an Executive Order establishing the Governmental Metric Policies Committee.

As indicated in the Executive Order, there will be 12 representatives selected from various State departments. If your Department feels it would like to actively participate on this Committee, I would welcome additional representation. Representatives should have some expertise or background in this area and have access to the Commissioner.

Should you wish to designate someone to serve, please forward his/her name to my office, care of my Appointments Coordinator by October 8.

I feel this Committee will be instrumental when Maine, like all other states, will be required to make the transition from the British to the Metric System.

Jim Longley
