THIS MEMO WENT TO THOSE DEPTS. LISTED
IN EXECUTIVE ORDER.

STATE OF MAINE

Inter-Departmental Memorandum Date September 22, 1976

To Department Heads

Dept. _____

From Governor James B. Longley

Dept. Executive

Subject Governmental Metrics Policy Committee

Attached you will find an Executive Order establishing the Governmental Metric Policies Committee. Your Department will be represented on this Committee. I would appreciate it if you could designate a person or persons within your Department who you feel has a mathematical background or an understanding of this area. This person should also have access to you and be able to represent the position of your Department on issues to be dealt with by the Committee.

Please forward the name or names to my office by October 8
c/o: Appointment Coordinator.

I feel this Committee will be instrumental when Maine, like all other states, will be required to make the transition from the British to the Metric System.

Jim Longley
