OFFICE OF  
THE GOVERNOR

NO. 11 FY 19/20  
DATE October 23, 2019

**AN ORDER ESTABLISHING THE  
ELDER JUSTICE COORDINATING PARTNERSHIP**

**WHEREAS**, the United States Department of Justice estimates that one in nine people over the age of 60 will be abused or exploited every year, for an estimated 33,000 victims of elder abuse in Maine alone;

**WHEREAS**, most elder abuse is perpetrated by someone in a position that involves an expectation of trust, and most financial exploitation is perpetrated by family members;

**WHEREAS**, older adults who are abused or mistreated are three times more likely to die within the next decade after the abuse than are adults in the same age group who are not subject to abuse;

**WHEREAS**, a recent study of financial exploitation in Maine found that between \$10.5 million and \$64 million in savings and assets are lost by Maine seniors every year to financial exploitation;

**WHEREAS**, to be effective in combating this growing health, justice, financial and social crisis Maine must set strategic priorities across the public and private sector;

**WHEREAS**, research has shown that multi-disciplinary approaches are the most effective way to combat the pervasive problem of elder abuse; and

**WHEREAS**, Maine has a proven track record of success with multi-disciplinary efforts including the Maine Council for Elder Abuse Prevention, the Attorney General's Elder Fraud Task Force that issued a report in 2015, and numerous local Elder Abuse Task Forces;
