WHEREAS, this Order is necessary under this emergency to protect the health of those individuals incarcerated in or working in Department of Corrections (Department) facilities and to protect against the spread of COVID-19 among individuals in those facilities; and

WHEREAS, staff and inmates at county jails and municipal detention facilities have tested positive for and/or exhibited symptoms of COVID-19; and

WHEREAS, this Order is necessary to allow the Department to temporarily stop the intake of inmates into Department facilities from county or municipal detention facilities to minimize the risk of introducing COVID-19 into the Department's facilities; and

- C. The Commissioner or the Commissioner's designee shall exercise the complete discretion granted by 17-A M.R.S. §2304 and may determine that a county or municipal detention facility shall be the initial place of confinement in lieu of a Department facility.
- D. Any other pertinent provision of law contrary to the purpose of this Order is hereby suspended during the effective period of this Order.

II. EFFECTIVE DATE

This Order takes effect on May 15, 2020 and shall remain in effect until amended, rescinded or until the state of emergency is terminated, whichever occurs first.
