FORWARD

This booklet contains the history and disposition of Legislative Documents considered during the Second Regular and Second Special Sessions of the Maine Legislature.

During legislative sessions, the Legislative Information Office monitors the status of every item introduced and maintains this information on a computerized bill tracking system. Status information is available through:

- computer terminals located in the State House Document Room and Law and Legislative Reference Library;
- terminals connected to the Central Computer Services IBM computer;
- weekly reports available by subscription with the Clerk of the House; and
- directly through Information Office personnel

Shortly after each session, the Legislative Information Office summarizes the bill status information for each Legislative Document to produce this history and final disposition. Legislative Documents are listed in the booklet by subject, broken down into major, minor and detailed levels. For each Legislative Document, the following information is provided.

- Legislative Document Number
- House or Senate Paper Number
- Sponsor and cosponsors
- Committee to which the Legislative Document was referred
- Public Hearing Date
- Committee report
- Amendments adopted in the House and Senate
- Final disposition of the Legislative Document

It should be noted that this booklet is a summary report only and is not meant to substitute for the official Senate and House journals or the actual Legislative Documents. The complete text of each enacted Public Law and Constitutional Resolution is available shortly after the legislative session through the Office of the Revisor of the Statutes. Should you need more detailed status information, please feel free to contact the Legislative Information Office at 289-1692 or the respective Senate and House offices for assistance.

The Legislative Information Office also welcomes any suggestions on how to make the bill status system or this publication more useful.
