**AN ACT Providing for Enlargement of Men's Physical Education Facilities at  
University of Maine at Orono.**

---

---

Be it enacted by the People of the State of Maine, as follows:

**Sec. 1. Men's physical education facilities, enlargement of.** The University of Maine is authorized to enlarge its facilities for men's physical education by constructing a playing field and additional tennis courts.

**Sec. 2. Appropriation.** There is appropriated to the University of Maine the sum of \$150,000 from the Unappropriated Surplus of the General Fund to carry out this act. Such appropriation shall not lapse, but shall remain a continuing carrying account until the purposes of this act have been accomplished.

**STATEMENT OF FACTS**

Facilities for recreational sports such as fields for touch football, softball, soccer, etc. and tennis courts are woefully inadequate for the present enrollment.

This project provides for additional recreational fields, for underdraining and rebuilding 4 existing clay courts, for enlarging 2 existing courts to regulation size and for underdraining an area for 6 new courts and building 2 of them.
