STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
100th LEGISLATURE

COMMITTEE AMENDMENT "A" to H. P. 639, L. D. 856, Resolve,  
Authorizing Director of Public Improvements to Grant  
Certain Easements on Land of the State in Augusta.

Amend said Resolve by adding after the title the  
following preamble:

'Emergency preamble. Whereas, it is necessary for the  
health and safety of the public to construct a trunk storm  
sewer line to drain areas in the vicinity of the Blaine  
House in Augusta; and

Whereas, it is necessary that said work be done as soon  
as possible to prevent some flooding of streets and property  
and to prevent delay of parts of said line now under progress  
of construction; and

Whereas, legislation is required to secure easements  
across state land in Augusta for said line and any other  
sewer and storm water lines that later may be necessary; and

Whereas, in the judgment of the Legislature, these facts  
create an emergency within the meaning of the Constitution of  
Maine and require the following legislation as immediately  
necessary for the preservation of the public peace, health  
and safety; now therefore, '

Further amend said Resolve by adding at the end the  
following:

'Emergency clause. In view of the emergency cited in  
the preamble, this resolve shall take effect when approved.'
