ONE - HUNDRETH LEGISLATURE

Legislative Document

No. 1417

H. P. 1016

House of Representatives, February 8, 1961

Referred to Committee on Natural Resources. Sent up for concurrence and ordered printed.

HARVEY R. PEASE, Clerk

Presented by Mr. Williams of Hodgdon.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SIXTY-ONE

AN ACT Classifying Certain Surface Waters in Kennebec River Basin.

Be it enacted by the People of the State of Maine, as follows:

R. S., c. 79, § 15, amended. Section 15 of chapter 79 of the Revised Statutes, as amended, is further amended under the caption "Kennebec River Basin and Adjacent Coastal Areas," by adding after subsection CLXLVI, the following subsections:

'CLXVII. Kennebec River, main stem, from Latitude 44° 50 in the Towns of Anson and Madison to the head of the island immediately below Great Eddy—Class C.

CLXLVIII. Kennebec River, main stem, from the head of the island immediately below Great Eddy to the railroad bridge in Fairfield—Class B-2.

CLXLIX. Kennebec River, main stem, from the railroad bridge in Fairfield to a point 0.5 miles above the southerly boundary of the Towns of Fairfield and Benton—Class C.

CC. Kennebec River, main stem, from a point 0.5 miles above the southerly boundary of Fairfield and Benton to a line across the Kennebec River Tidal Estuary drawn due west from the southerly extension of Green Point on the easterly shore of the Kennebec River across the channel east of Swan Island to the island, along the easterly shore of Swan Island to southernmost point of the island, thence due west to the westerly shore of the river—Class D.

CCI. Kennebec River, Tidal Estuary, and including tidal portions of tributaries not otherwise classified, from a line drawn due west across the Kennebec

River Tidal Estuary from the southerly extension of Green Point on the easterly shore of the Kennebec River, across the channel east of Swan Island to the island, along the easterly shore of Swan Island to the southernmost point of the island, thence due west to the westerly shore of the river, to a line drawn across the Tidal Estuary of the Kennebec River, due east, from Abagadasset Point—Class C.

CCII. Kennebec River, Tidal Estuary, and including tidal portions of tributaries not otherwise clasified, from a line drawn across the Tidal Estuary of the Kennebec River, due east from Abagadasset Point, and bounded by a line across the southwestery arm of Merrymeeting Bay formed by an extension of the Brunswick-West Bath Town Line across the bay in a northwesterly direction to westerly shore of Merrymeeting Bay and to a line across the Kennebec Estuary bearing due west from Bluff Head in the Town of Arrowsic—Class B-2.

CCIII. Kennebec River, Tidal Estuary, and including tidal portions of tributaries not otherwise classified from a line extending due west from Bluff Head in the Town of Arrowsic to a line drawn between the most easterly point of land at the southerly end of Popham Beach in Phippsburg and the southernmost extension of Bay Point in Georgetown—Class B-1.'
