**AN ACT Relating to Care and Supervision of Planes of Department of Sea and Shore Fisheries.**

---

**Emergency preamble.** Whereas, acts of the Legislature do not become effective until 90 days after the Legislature adjourns unless enacted as emergencies; and

Whereas, in order to perform the duties established by law for the Department of Sea and Shore Fisheries, the following legislation is vitally necessary; and

Whereas, care and maintenance of planes operated by the Department of Sea and Shore Fisheries is in the best interests of economy and efficiency; and

Whereas, the following legislation should become immediately effective so that the department may function properly in the summer of 1961; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

**R. S., c. 24, § 5, amended.** The last sentence of the last paragraph of section 5 of chapter 24 of the Revised Statutes is amended to read as follows:

‘Planes owned or operated by the Department of Inland Fisheries and Game, **the Department of Sea and Shore Fisheries** or the Forestry Department are exempt and excluded from ~~the provisions of~~ this paragraph.’

**Emergency clause.** In view of the emergency cited in the preamble, this act shall take effect when approved.
