STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SIXTY-THREE

AN ACT Relating to Non-lapsing Funds for Armory Expansion.

Emergency preamble. Whereas, acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the projects authorized by the 100th Legislature to expand certain armories are not in process due to the fact that in some instances federal funds are not available; and

Whereas, it is vitally necessary that the following legislation be enacted to prevent the lapsing of the various appropriations; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1961, c. 69, section A, § 1, amended. That part of section 1 of section A of chapter 69 of the private and special laws of 1961, under the caption "Adjutant General, Department of," is amended by adding at the end before the paragraph "Aeronautics Commission" the following new paragraph:

'The appropriation for the expansion of the Auburn, Augusta, Sanford, Skowhegan and Westbrook Armories shall not lapse, but shall remain a continuing carrying account until the purpose of the appropriation has been accomplished.'

Emergency clause. In view of the emergency cited in the preamble, this act shall take effect when approved.
