### **AN ACT Directing Review of the Fire Prevention Laws.**

---

Be it enacted by the People of the State of Maine, as follows :

**Sec. 1. Review of general statutes of towns authorized.** The Attorney General is authorized, during the fiscal years commencing July 1, 1963 and terminating June 30, 1965, to study the present general provisions of the statutes relating to fire prevention, and to report to the next regular session of the Legislature such changes and amendments as may appear to be necessary or desirable to consolidate and complete the laws so as to eliminate archaic and contradictory provisions now found in the law and to make such statutes more readily understandable and useful to the persons affected thereby. For this purpose the Attorney General may employ such technical and clerical assistance as he may find necessary.

**Sec. 2. Advisory committee.** The Attorney General is further authorized to appoint an advisory committee of not more than 5 persons to consult with him and advise during the progress of such study; the members of such committee to be paid necessary expenses actually incurred in attending such meetings as shall be called by the Attorney General.

**Sec. 3. Appropriation.** There is appropriated from the Unappropriated Surplus of the General Fund the sum of \$7,500 to carry out the purposes of this act, and said sum shall not lapse but shall remain as a carrying account until the purposes of this act have been accomplished.
