### **AN ACT Appropriating Funds for Regional Airport in the Gray Area to Service Central Maine.**

---

**Sec. 1. Regional airport; appropriation.** There is appropriated from the Un-appropriated Surplus of the General Fund a sum not in excess of \$2,500,000 for a regional airport to service central Maine to be located in the Gray area. The expenditure shall be under the supervision of the Aeronautics Commission, subject to the approval of the Governor and Council. Such expenditure as may be authorized by this act shall be contingent upon the fact that not more than 50% of the project cost shall be paid for by funds herein appropriated. It is the intent of the Legislature to so limit the use of state funds as to require that federal funds and other funds shall finance 50% of the cost of the project.

**Sec. 2. Appropriation nonlapsing.** This appropriation shall not lapse, but shall remain a continuing carrying account until the purposes of this act are accomplished.
