These bounties shall be paid by such treasurers.

No bounty shall be paid unless claimant within 72 hours after he has killed such animal exhibits to the town treasurer the entire skin thereof or the entire animal for the killing of which such bounty is claimed, and signs a certificate under oath, which said treasurer may administer, stating that he killed such animal and the time and place within the State. Such certificate must be approved by and bear the signature of the fish and game warden or warden supervisor in whose district the animal was killed stating that he believes the bear to have been killed at the time and place stated therein. The skin of all bears on which bounty is claimed must be marked and sealed by the warden or warden supervisor in whose district the same was killed, with implements provided by the commissioner, and such warden or warden supervisor shall slit the right ear of the bear lengthwise.
