STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
101st LEGISLATURE

HOUSE AMENDMENT "B" to S. P. 346, L. D. 1011, Bill, "An Act  
Act to Revise Certain Motor Vehicle Laws."

Amend said Bill by striking out all of section 9 and  
inserting in place thereof the following:

"Sec. 9. R. S., c. 22, §41, amended. Section 41 of  
chapter 22 of the Revised Statutes, as amended, is further  
amended by adding after the 2nd sentence, the following new  
sentences to read as follows:

'Every singly driven motor vehicle and every combination of  
motor vehicles shall be equipped with parking brakes adequate  
to hold the vehicle or combination on any grade on which it  
is operated, under any condition of loading, on a surface free  
from snow or ice. The parking brakes shall be capable of being  
applied in conformance with these requirements by the driver's  
mascular effort or by spring action. Their operation may be  
assisted by the service brakes or other source of power provided  
that failure of the service brakes or other power assisting  
mechanism will not prevent the parking brakes from being applied  
in conformance with these requirements. The parking brakes  
shall be so designed that when once applied they shall remain  
in the applied position despite exhaustion of any source of  
energy or leakage of any kind.'"

Filed by Mr. Finley of Washington.

Reproduced and distributed under the direction of the Clerk  
of the House.
