**AN ACT Appropriating Community Care Funds to Boys Training Center.**

---

Be it enacted by the People of the State of Maine, as follows:

**Appropriation.** There is appropriated from the Unappropriated Surplus of the General Fund to the Department of Mental Health and Corrections for Boys Training Center the sum of \$94,500 for the fiscal year ending June 30, 1966 and the sum of \$141,750 for the fiscal year ending June 30, 1967 to provide room and board, education, clothing, general medical, dental, optical and hospital services for 50 boys in the community the first year and 75 boys in the community the 2nd year.

STATEMENT OF FACTS

It appears consistent to appropriate funds to provide food, shelter, education, training, clothing, medical, dental and optical care for court-committed boys who were state wards upon commitment, who have either no parents, or parents who completely reject, refuse or are unable to support them upon their release from the Boys Training Center.
