**RESOLVE In Favor of Town of Dixmont for Certain Snow Removal.**

---

**Town of Dixmont; reimbursed. Resolved:** That the Town of Dixmont be reimbursed in the amount of \$510 to be appropriated from the General Highway Fund for the expenditure of this amount of money for snow removal of 3.4 miles of road for the 1963-64 year.

STATEMENT OF FACTS

The Town of Dixmont made a contract in 1963 for 5 years for snow removal of 32.68 miles at \$150 per mile, relying upon the number of miles given to the town by the State Highway Commission. After remeasurement by the State Highway Commission and after the contract was made, the number of miles was found to be 29.28 miles and the town was not notified of this change until October, 1963. The purpose of this resolve is to reimburse the town for snow removal on 3.4 miles of road, the difference between the original measurement of the miles of road and the later measurement.
