STATE OF MAINE
SENATE
102nd LEGISLATURE

SENATE AMENDMENT "A" to H. P. 715, L. D. 953, Bill, "An Act to Exempt University of Maine from Laws Relating to Bureau of Public Improvements.

Amend said Bill by striking out everything after the enacting clause and inserting in place thereof the following:

"R. S., T. 5, §1741, amended. The first paragraph of section 1741 of Title 5 of the Revised Statutes is amended by adding at the end thereof, the following:

'Nothing in this section shall apply to the construction, improvement or repair of any or all grounds, buildings, facilities and public services which are by law under the management of the Trustees of the University of Maine, except that:

1. Programs. The University of Maine shall report to the Bureau of Public Improvements the development of its overall long range capital improvement programs, the retention of architects and final complete costs of all capital construction.

2. Plans. The university shall submit to the Bureau of Public Improvements architects' plans and specifications for all capital construction.

3. Advice. The university may request advice from the Bureau of Public Improvements in connection with engineering and architectural matters.

4. Date. The university shall prepare, at the request of the Governor and Council or the Legislature, data pertaining to its existing or proposed capital improvements.

5. Responsibilities. The Bureau of Public Improvements shall have full responsibility for placing requests for capital construction from the University of Maine within the state-wide priority schedule of requests from all agencies but the authority for establishing priorities within the university's program shall be the responsibility of the university's board of trustees. Changes within the priorities established by the university's board of trustees may be made by the Bureau of Public Improvements in the light of changing needs and moneys available with the advice and consent of the university's board.'
