**RESOLVE, Proposing an Amendment to the Constitution Affecting
Apportionment of Penobscot County for the Election of Senators.**

Constitutional amendment. Resolved: Two-thirds of each branch of the Legislature concurring, that the following amendment to the Constitution of the State be proposed:

Constitution, Article IV, Part Second, Section 1, amended. Section 1 of Part Second of Article IV of the Constitution is amended by adding at the end the following paragraph:

'The Legislature shall divide Penobscot County into the same number of senatorial districts as the number of Senators to which the county is entitled. Such districts shall contain, as near as may be, an equal number of inhabitants based upon the last Federal Census, and shall remain unaltered until the next Federal Census, and shall consist of contiguous territory. The senatorial candidates from each of the districts must be residents of the district in which they are candidates.'

Form of question and date when amendment shall be voted upon. Resolved: That the aldermen of cities, the selectmen of towns and the assessors of the several plantations of this State are empowered and directed to notify the inhabitants of their respective cities, towns and plantations to meet in the manner prescribed by law for calling and holding biennial meetings of said inhabitants for the election of Senators and Representatives at the next general election in the month of November or special state-wide election on the Tuesday following the first Monday of November following the passage of this resolve, to give in their votes upon the amendment proposed in the foregoing resolution, and the question shall be:

“Shall the Constitution be amended as proposed by a resolution of the Legislature affecting apportionment of Penobscot County for the election of Senators?”

The inhabitants of said cities, towns and plantations shall vote by ballot on said question, and shall indicate by a cross or check mark placed against the words “Yes” or “No” their opinion of the same. The ballots shall be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the office of the Secretary of State in the same manner as votes for Governor and Members of the Legislature, and the Governor and Council shall count the same, and if it shall appear that a majority of the inhabitants voting on the question are in favor of the amendment, the Governor shall forthwith make known the fact by his proclamation, and the amendment shall thereupon, as of the date of said proclamation, become a part of the Constitution.

Secretary of State to prepare ballots. Resolved. That the Secretary of State shall prepare and furnish to the several cities, towns and plantations ballots and blank returns in conformity with the foregoing resolve, accompanied by a copy thereof.
