S. P. 187

In Senate, January 31, 1967

Referred to Committee on Appropriations and Financial Affairs. Sent down for concurrence and ordered printed.

JERROLD B. SPEERS, Secretary

Presented by Senator Reny of York.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SIXTY-SEVEN

AN ACT Appropriating Funds to Aid in Dredging the Saco River.

Be it enacted by the People of the State of Maine, as follows:

Appropriating funds to aid in dredging the Saco River. There is appropriated from the Unappropriated Surplus of the General Fund to the Cities of Saco and Biddeford the sum of \$31,000 to aid said cities to provide for 2 anchorages, 6 feet deep at mean low water, totaling 10½ acres in area near the mouth of the river and a 9-acre maneuvering and anchorage basin at the head of navigation. Such appropriation shall not be available until the sum of \$31,000 has been appropriated by the Cities of Biddeford and Saco for the same purpose and the sum of \$138,000 shall have been made available by the United States under section 107 of the 1960 River and Harbor Act for the same purpose. Such appropriation shall not lapse until June 30, 1969.

STATEMENT OF FACTS

A navigation project for the improvement of Saco River in the Cities of Saco and Biddeford has been approved by the U.S. Army Corps of Engineers Division, New England, for accomplishment under authority of section 107 of the 1960 River and Harbor Act. The project provides for 2 anchorages, 6 feet deep at mean low water, totaling 10½ acres in area near the mouth of the river and a 9-acre maneuvering and anchorage basin at the head of navigation, with disposal material to be pumped back onto Hills Beach and Ferry Beach.
