Amend said Bill by inserting after the enacting clause, the following section:

'Sec. 1. R. S., T. 26, §1082, sub-§13, repealed and replaced. Subsection 13 of section 1082 of Title 26 of the Revised Statutes is repealed and the following enacted in place thereof:

13. Filing payroll reports; penalty. Every employing unit shall furnish the commission or its authorized representative, upon request, and in accordance with the form prescribed by the commission, quarterly payroll information applicable to any present or former employee who files a request for determination of his insured status. Such reports of base period wages will be due within 10 days of the date the request is mailed by the commission or its duly authorized agent and the failure on the part of any employing unit to file the payroll information within said time shall render the employing unit liable to a penalty of \$10, unless the delay was occasioned by the illness of the person in charge of records of the employing unit or by other unavoidable incident which shall excuse the employing unit from said penalty. In addition any employing unit which has received and failed to respond timely to 3 successive requests without justifiable excuse shall furnish the commission a payroll report for each quarter showing the name of each person employed by such employing unit at any time during the quarter, his social security account number and the total wages paid to him, except that the amount of wages in excess of \$4,000 per quarter need not be reported.'
