STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED

AN ACT Exempting the Use of Lake View Plantation's State Valuation in Computing State Aid to School Administrative District No. 41.

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1965, c. 68, amended. Chapter 68 of the private and special laws of 1965 is amended by inserting after the 2nd paragraph the following new paragraph:

Notwithstanding any other law, the state valuation of Lake View Plantation may not be used in determining the borrowing power of School Administrative District No. 41. In computing the general purpose aid subsidy allocation, the net foundation program of the district shall be distributed among the member municipalities in the same ratio as the average resident pupils of the member municipalities bears to the total average number of resident pupils in the School Administrative District. From the foundation program thus distributed shall be subtracted the yield of 20 mills times the member municipality's state valuation provided that no member municipality shall be required to appropriate more than 80% of the foundation program. The aid thus computed for the member municipalities shall be added together and shall be paid to the School Administrative District. In addition, the district shall receive the bonus as provided in the Revised Statutes, Title 20, section 3456.
