STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SIXTY-SEVEN

AN ACT Relating to Driver Education.

Be it enacted by the People of the State of Maine, as follows:

R. S., T. 20, § 2452, sub-§ 2, amended. The first paragraph of subsection 2 of section 2452 of Title 20 of the Revised Statutes, as repealed and replaced by section 4 of chapter 51 of the public laws of 1965, is amended to read as follows:

Special subsidy shall be paid in September to the administrative units that have conducted driver education courses meeting standards established by the state board according to the following plan: \$10 for each pupil ~~satisfactorily~~ completing the driver education course during the preceding year.

STATEMENT OF FACTS

The expenses incurred by an administrative unit in educating a student in a driver-education program are the same even though a student receives a failing grade. This Act would allow payment of subsidy for all students who complete an approved program. Schools should not be under pressure to pass students regardless of their achievement in order that the unit might receive a subsidy payment.
