STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SIXTY-NINE

AN ACT Authorizing Application of 1966 Assessed Valuation for Reimbursement to Towns for Snow Removal in Winter Season of 1968-1969.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the assessed valuation for each town filed in 1968 by the Board of Equalization in accordance with the provisions of the Revised Statutes, Title 36, section 381 would for numerous municipalities adversely affect their reimbursement for winter maintenance during the winter season 1968-1969 by the existing provisions of the Revised Statutes, Title 23, section 1005; and

Whereas, the following Act is vitally necessary to prevent an economic adversity and inequity; and

Whereas, in the judgment of the Legislature these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Reimbursement for snow removal. The assessed valuation filed in 1966 by the Board of Equalization shall apply for the winter season 1968-1969 for the purposes of determining reimbursement in accordance with the Revised Statutes, Title 23, section 1005.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.
