**RESOLVE, Authorizing Forest Commissioner to Exchange Land in West Forks, Somerset County.**

---

**Forest Commissioner to exchange land. Resolved:** That the Forest Commissioner be authorized to convey a parcel of land of approximately 1.3 acres on the public lot in West Forks, Somerset County, in an equal exchange of land and forest growth from land owned by Edward Comber of West Forks adjacent to the public lot.

### STATEMENT OF FACTS

The State Highway Department has re-routed the main highway from Jackman to Caratunk which cut off a triangle piece of the public lot of approximately 1.3 acres. This isolated parcel of land is not of any particular value and presents a problem of management. It is therefore suggested on the advice and counsel of the Attorney General's Office that the area in question be conveyed by the Forest Commissioner in exchange for equal acreage of land owned by Edward Comber immediately adjacent to the public lot.
