STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SIXTY-NINE

AN ACT Relating to Fulfillment of Contracts by Teachers About to Retire.

Be it enacted by the People of the State of Maine, as follows:

R. S., T. 5, § 1128, amended. Section 1128 of Title 5 of the Revised Statutes, as enacted by section 4 of chapter 337 of the public laws of 1965, is amended by adding at the end a new paragraph to read as follows:

Notwithstanding anything to the contrary, any teacher who is teaching under a valid contract during any school year in which a general salary adjustment to state employees becomes effective and which results in a retirement allowance adjustment as provided in this section, may continue to teach until such time as said contract is fulfilled and may then apply for a retirement allowance, the effective date of which can be no earlier than the day following completion of the contractual obligations. The amount of the retirement allowance shall be increased by that percentage that had been applied to retirement allowances during said school year. This provision shall apply only if the teacher submits a letter of intent to retire upon fulfillment of said contract and which letter shall be countersigned by the pertinent superintendent of schools, headmaster of an academy or other comparative appointing authority, and in possession of the board of trustees no later than the date on which the general salary adjustment is effective to state employees.
