If an abatement is granted, judgment shall be rendered in favor of the primary assessing area for such valuation as the court shall find applicable and the court may make such order relating to the payment of costs as justice shall require.

If it shall be alleged in the application that the applicant has paid the taxes for which he has been assessed, and if the court shall so find, judgment for the amount of taxes equivalent to the abatement granted shall also be rendered against the municipality, and execution therefor shall issue as in civil actions.

Sec. 32. R. S., T. 36, § 381, amended. Section 381 of Title 36 of the Revised Statutes, as last amended by section 4 of chapter 502 of the public laws of 1969, is further amended to read as follows:

fixed by the ~~State Tax Assessor~~ **Director, Bureau of Property Taxation**, shall be certified by the ~~State Tax Assessor~~ **him** and deposited in the office of the Secretary of State as soon as completed, and before the first day of ~~February of the regular sessions of the Legislature~~ **July annually**. The valuation thus determined shall be the basis for the computation and apportionment of the state and county taxes, and school subsidy formulae as defined in Title 20, until the next ~~biennial assessment and equalization except where an interim state valuation of a municipality has been filed in accordance with section 381 A, after which the interim state valuation of that municipality shall be used in such computation and apportionment.~~

If any owner or owners of an unorganized township, or a lot or parcel of land in any unorganized township, or lot or parcel of land not included in any unorganized township, in either case with or without improvements, or right to cut timber and grass from public reserved lots in any township, who has filed the list and answered any and all interrogatories addressed to him under section 1181, shall deem himself or themselves aggrieved by the assessed valuation certified and deposited as provided, he or they may appeal therefrom to the Superior Court for the county within which said lands or interests therein are located. Such appeal shall be entered within 6 months after such statement of assessed valuation shall have been so deposited, and notice thereon shall be ordered by said court. Such appeal may be referred by the court in its discretion to a referee to hear the parties and to report to the court the facts, or the facts with the evidence, which report shall be prima facie evidence of the facts thereby found. If upon such appeal it is found that the valuation is excessive, the court hearing the same shall determine the true valuation of said lands or interest therein, and the clerk of said court shall certify its final determination to the ~~State Tax Assessor~~ **Director of the Bureau of Property Taxation**. The valuation thus determined by the court, instead of the valuation certified and deposited in accordance with the previous provisions of this section, shall be the basis for the computation and apportionment of the state, county and forestry district taxes until the next ~~biennial annual assessment and equalization, and the State Tax Assessor~~ **Director of the Bureau of Property Taxation** shall in all proceedings relative to the collection of taxes against said lands or interest therein proceed in accordance with the valuation so fixed by the court. In the event that prior to such final decision any owner or owners so appealing shall have paid any tax as fixed by the valuation so appealed from, the State Controller shall, if said valuation is found excessive, issue his warrant to the Treasurer of State for a return of so much of said tax as was based upon the excessive portion of said valuation. The fees of the referee shall be paid in the same manner as those of auditors appointed by the court, and the court may make such order relating to the payment of costs as justice shall require and issue execution therefor. In all such appeals, the State shall be regarded as the appellee; and all notices required by statute, rule or order of court shall be served upon the ~~State Tax Assessor~~ **Director of the Bureau of Property Taxation** or upon the Attorney General. An appeal may be taken to the law court as in other actions. Any and all
